SYNOPSIS: *Boxtales takes an innovative approach to the timeless tale of love, power, death, and the whims of the gods and goddesses. Nearly 30 characters are brought to life by five very agile, very clever and talented performers in a magical show the whole family can enjoy. Acrobatics, aerial silk work, bouncing stilts, and a finely tuned ensemble moving from character to character, with the lighting becoming a character in the play. Log onto the website and read more. Past productions have garnered Independent Theatre Awards for director & ensemble; and the New Press Top Ten Shows of 2005, as well as critical & public kudos for its originality. Don’t Miss It!*
